Ms Nguyen Ngoc Doan PHAN
S.P. Jain Intern
Woolworths Group Supply Chain

Dear Nguyen Ngoc Doan,

We would like to express how much we value the excellent work you did on the Industry Interface Project during your recent internship with Woolworths Group Limited. In particular, we would like to compliment you on the excellent quality of the recommendation report and the outstanding success of the final presentation made to the Head of Customer Experience - Supply Chain and other key members of the Supply Chain leadership team.

The recommendations you have made will stimulate a lot of discussions and will spark many moments of insight during our future internal workshops. This is no mean feat considering Woolworths is globally ranked as an industry leader in Supply Chain best practice.

We acknowledge your hard-working nature, taking time to understand the customer needs, your willingness to take on-board feedback and adjust deliverables in a timely manner and your sense of dedication throughout the entire process. These traits will continue to serve you well in your career. Having seen you in action, we have full confidence that you will have a bright future.

Yours sincerely,

M. Sankar Ramiah,
Senior Project Manager, Woolworths Group
